REMARKS

Applicants herein make available to the Patent and Trademark Office a copy of Form PTO-1449 listing the references cited in the parent British and PCT applications. The relevance of the references are set forth in the enclosed Search Report for the corresponding British application and in the Search Report for the corresponding PCT application. This Information Disclosure Statement is being filed in accordance with the 37 CFR 1.97(b)(3), before the mailing date of a first Office Action on the merits. No fee is required.

This listing should not be construed as representation that a search has been made or that no better art exists. No inference should be made that the documents are in fact material merely because they are referenced herein. Further, by this listing, the applicants are not making any admission regarding the relative dates of the invention and listed disclosures.

The Examiner is requested to consider carefully the complete text of these documents in connection with the examination of the above-identified application in accordance with 37 CFR 1.104(a). It is requested that the documents listed on the attached Form PTO-1449 be included in the "References Cited" portion of any patent issuing from this application (M.P.E.P. 1302.12), and that the Examiner initial and return a copy of the form to evidence consideration of the documents.

With the amendment to the claims, it is respectfully submitted that the above application is in condition for allowance. Such favorable action is respectfully requested.

Respectfully submitted,

Oday Abbosh et al.
